WDI-Lab was present at Semantic Web Day on May 5, 2010 in Leipzig

The Leipziger Semantic Web Tag 2010 - organized by the Department of Computer Science of the University of Leipzig - illustrated with presentations the opportunities of semantic technologies and demonstrated in practice usage scenarios for economics, science, and public administration. The staff of the WDI-Lab presented their technologies at a highly frequented information desk. Speeches of Prof. Erhard Rahm, Sven Kitschke, Sabine Maßmann and Hanna Köpcke aroused the special interest of the visitors.
